February 2024

Dear Killbuck Village Resident:

The Village is excited to offer a new way to pay your Utility Bill. With this new service you will be able to pay online, view usage history, see payment history and set up recurring payments for your monthly utility billing. If you currently have recurring payments, please DO NOT sign up again.

To set up this tool simply scan the QR code provided or visit: villageofkillbuck.epayub.com and sign up. You will need your utilities account number and your phone number on record with the village. If your phone number is not on file with us, please call the village office at (330) 276-6601 or email us at killbuckvillage@gmail.com and we can add it to your account.

The fee for this service will be 2.5% or \$1.95 minimum added to your monthly billing. Never miss a payment again.

Kindest Regards,

Linda Campbell

Clerk
